

DO YOU WORK AS A COUNTERTOP FABRICATOR?

We invite you to join our study on lung health and silica dust!

Must be 18 years or older, speak English or Spanish, and live in Los Angeles County.

If you take part, you will be asked to:

- ✓ Answer questions about your health and tasks you do at work
- ✓ Take breathing, x-ray, and blood tests

In exchange for your time and participation, you will receive a \$200 gift card and your test results for FREE.

No cost to you or your insurance.
